

Select the area you want to use for your pictograph.

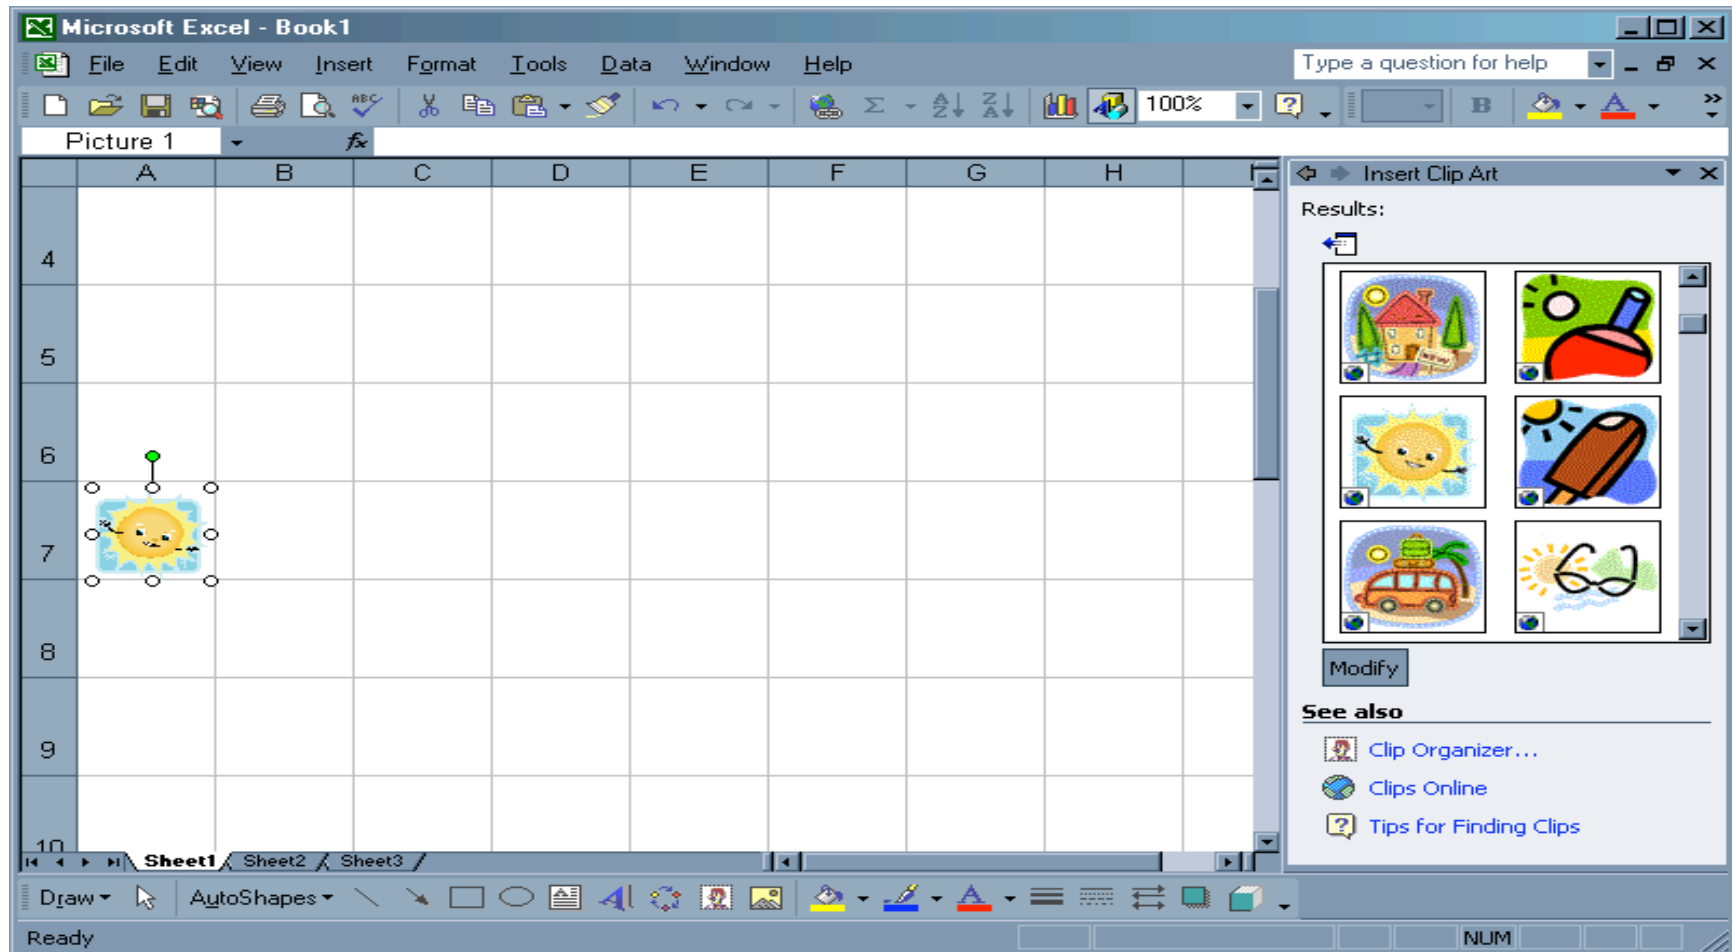

Change the font size to 36

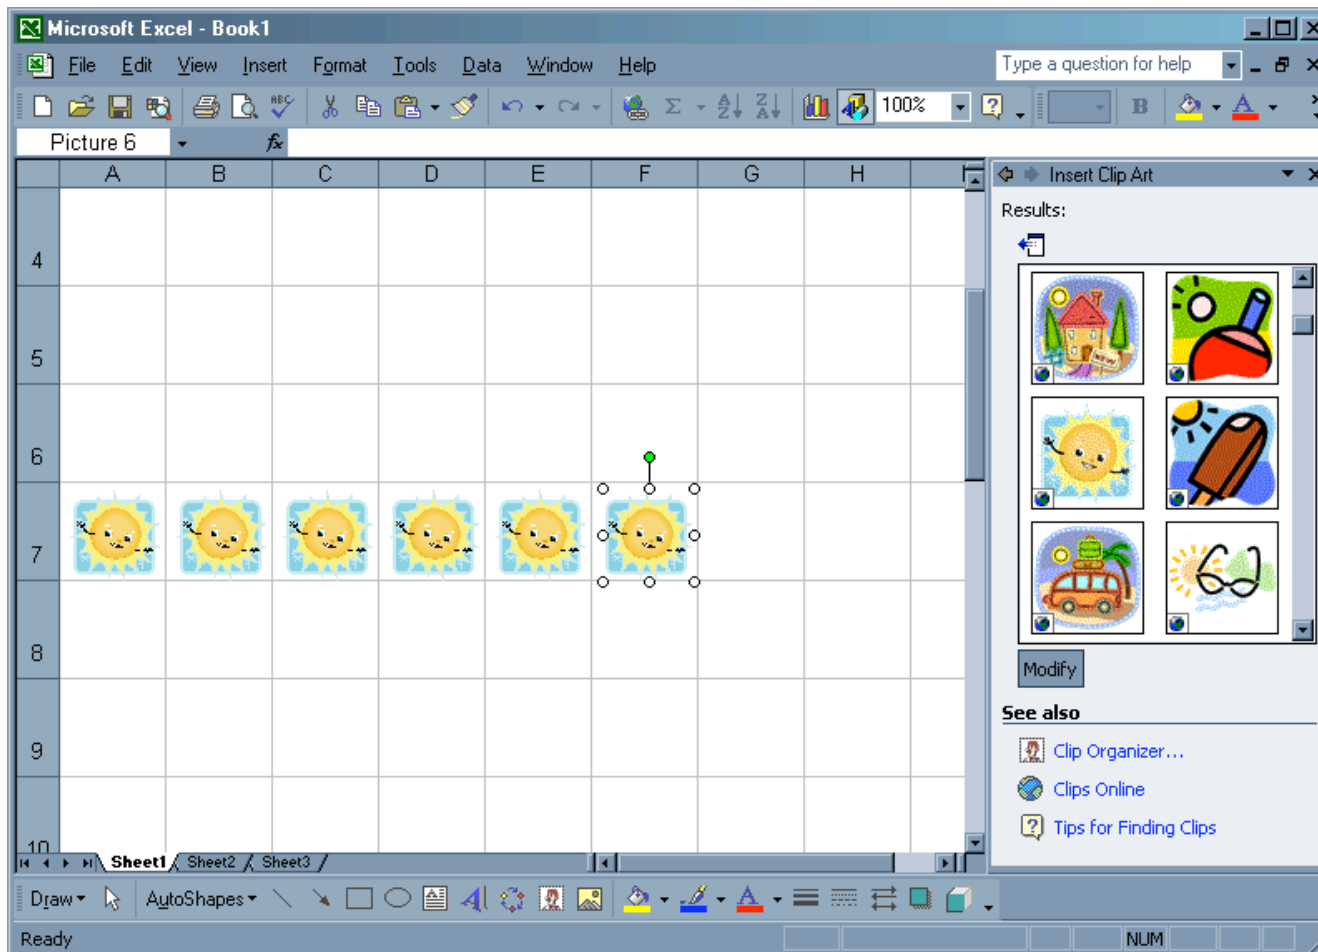

Go to Insert, Clip Art.
Search for the graphic you wish to use.
Drag it into the spreadsheet.

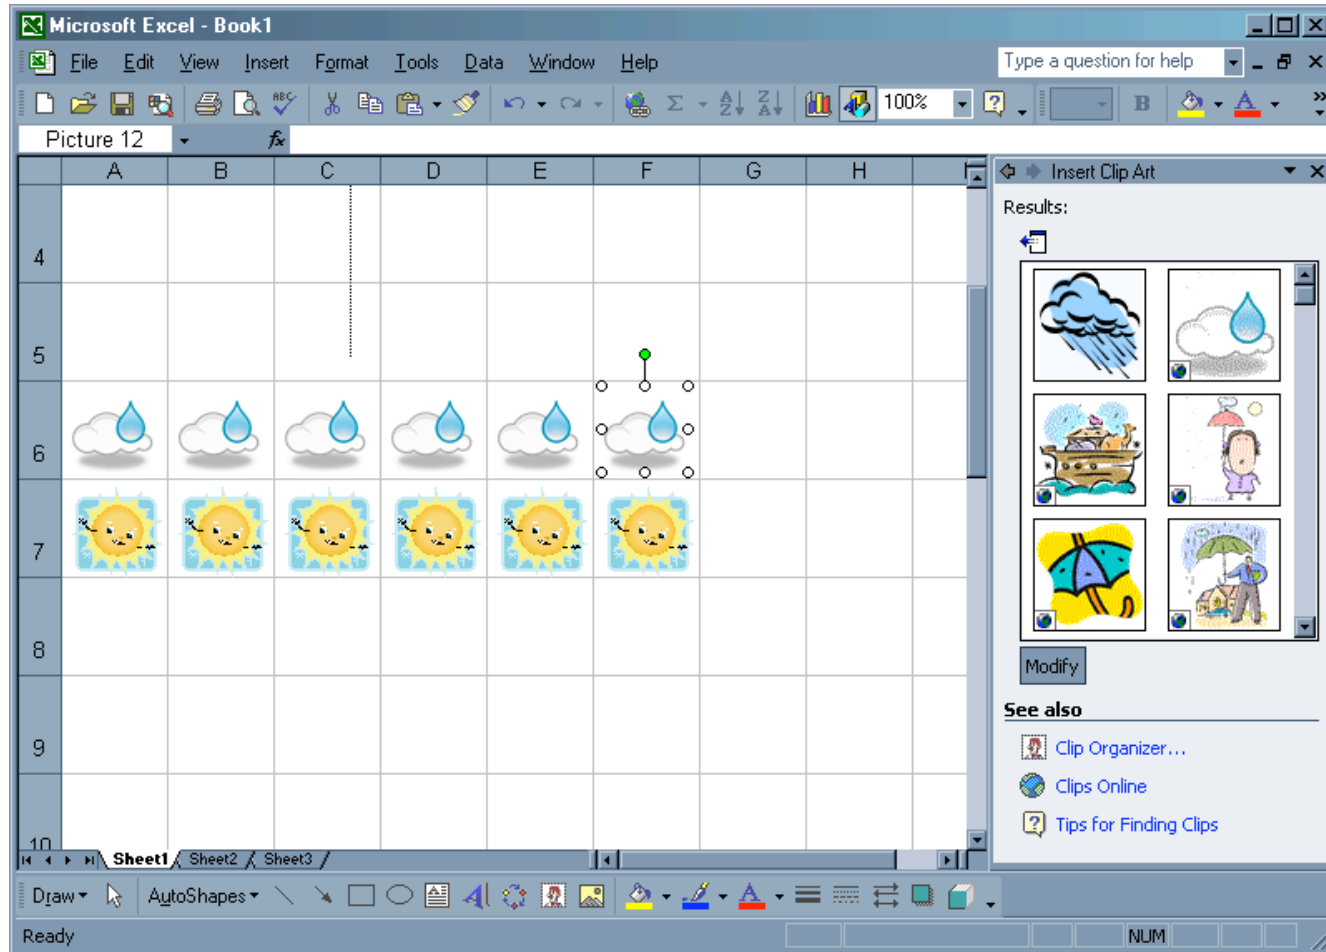

Resize the graphic to fit in a cell.

Copy and Paste the graphic across a row near the bottom of the graph.

Add the other graphics you wish to use in the same manner.

The graphics may be dragged from the bottom to make a graph.
