

# Episode 13: Separate Ways

What did Ramon catch in the net on the way back to port?  
(Hint: it was not a fish)

---

---

Since Sally Ruth's family could not hear, she sent a telegram to let them know she was ok and coming home. How has the invention of text messaging helped deaf people today?

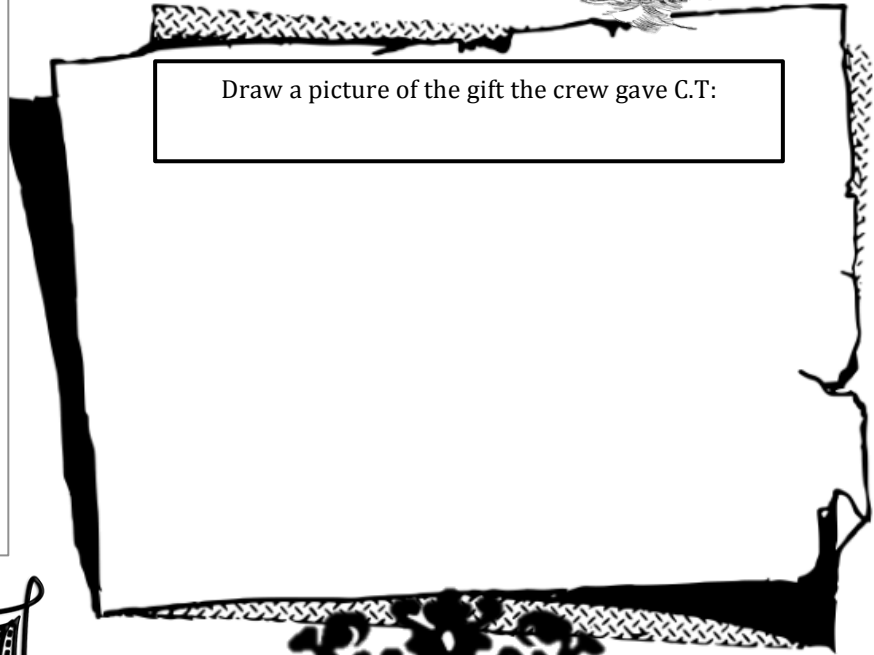

---

---

---

---

Draw a picture of the gift the crew gave C.T:

How did the relationship between C.T and the captain change from the beginning of the voyage to the end of the voyage? Explain with specific parts throughout the voyage to show the change.
